**GREEN
HARVEST**
ULTRA GREEN FOOD

Plus
Pro-Biotics, Anti-Oxidants
&
Digestive Plant Enzymes

The tender young greens of our **GREEN HARVEST** formula are so naturally concentrated that just one capsule taken three times daily provides the equivalent of a generous serving of organic vegetables.

GREEN HARVEST conveniently provides 2-Billion friendly flora in eight strains of **Pro-Biotics**, potent **Anti-Oxidants** and digestive **Plant Enzymes** all ensuring a complete "Nature's Harvest of Nutrition".

GREEN HARVEST provides you the vegetable nutrition your body needs without a whole new diet. While fresh vegetables are essential in providing vital nutrients, **GREEN HARVEST** Ultra Green Food can be a convenient and nutritious addition to a whole foods diet.
